An article regarding the visit of
Obama to the Zionist entity...
entitled
(Obama you aren't welcomed)

الحمد لله رب العالمين و الصلاة و السلام على أشرف الأنبياء و المرسلين سيدنا محمد و على آله و صحبه أجمعين
أما بعد...

◆ We were dismayed and every Muslim was dismayed these days by the news of the desecration of the occupied land of Islam in Palestine by the arrival of the miserable Barack Obama leader of the head of Kufr and crusade in the world America and the carrier of the banner of the recent crusade wars against the land of Islam and their religion and Aqeeda to visit the usurper entity of the Zionist occupation that will disappear Allah willing by the hands of the sons of Islam and its soldiers, this visit which its timing carries significant connotations since it comes after the forming of the new Zionist government, that government that carries the signs of Zionist criminality, aggression and hatred that is rooted in their sick souls since of them are tyrants of criminality and aggression from the extremist Likud which portends of new crimes and renewed aggression which is miserable came to support and bless... **so Obama you are not welcomed.**

◆ And the support and aid of America and Obama himself for the crimes of the Jews and aggression isn't a new thing since the Zionist entity is the cancerous tumor that was planted by the crusades in the body of the Muslim Ummah and it was sponsored by America and it was aided by all kinds of financial, military and political for decades as for Obama himself he only declared in his first term that the relationship of America with Israel is a fixed non-refractive relationship and that Israel is the strongest ally and greatest friend of the United States and that the security of Israel is from the security of the United States since the American protection to Israel is continuous and permanent whatever the case, and no matter how much it committed aggressions and crimes, no matter how much it became arrogant and tyrannical and that isn't surprising since Kufr is one religion... **so Obama you are not welcomed.**

◆ This visit also comes in the anniversary of the American crusader occupation of our beloved Iraq the land of Islam and the castle of the Caliphs on 20 March 2003 after the death of millions of Muslims in Iraq due to the oppressive embargo and continuous shelling including one million Iraqi child which their only crime was that they are from the Ummah of Islam, these mass massacres were conducted during a ten year embargo that was followed by the invasion and occupation of Iraq after the Americans thought that the determination of the Muslims have broken and the flame of jihad have extinguished but the heroes of Islam rose up and the banner of jihad was raised fluttering rocking the occupying Kuffar and demolished the forts of the aggressors and elevated the banner of the truth and religion until the State of Islam was established to expel the crusade occupiers and destroy their cursed lackeys the Rafidah and prepare for the liberation of Palestine... **so Obama you are not welcomed.**

◆ This visit also comes after the successive revolutions in the Islamic lands that rose up and realized that stillness and submitting to oppression and tyranny will only bring more injustice, oppression and displacement of the Sharia of the Lord of the slaves, so the uprisings of the peoples occurred that demanded justice and beneficence under the Sharia of Rahman, and America and the crusader West interfered in various ways to divert the natural path of these blessed revolutions and prevent the Muslim peoples from achieving its real freedom and implement their Islamic Sharia and make everyone revolve drunk in its waterwheel of democracy which we only gain from it more humiliation and subordination... **so Obama you are not welcomed.**

◆ This visit also comes to discuss the situation of the jewel of the popular uprisings the (Islamic Syrian revolution) but this discussion won't be to stop the bloodshed or to lift the oppression on the proud souls but they are negotiations to find a solution to stop the advancing of the victorious mujahidin brigades that rocked the throne of Bashar and eradicated his Shabiha and it is on its way to uproot his head before his reign then heading to liberate the Golan before liberating the plundered Al-Quds, and that is what is mostly feared by America and the crusader West and pushes them to plot conspiracies and tricks to divert the proud Muslim Syrian people and the mujahidin from their course sometimes by supporting the evil Bashar and sometimes by forming the cartoon national and popular councils to steal the blood of the martyrs and the sufferings of the people but how could they do so when the mujahidin of Al-Sham and those who support them are moving on the straight path even if Obama hate it... **so Obama you are not welcomed.**

◆ And that coincides with what is observed of confirmed cunning and intense machination on the land of Egypt, conspiracies plotted abroad and executed by the traitors inside and that is what we see happening in beloved Sinai from movements and conspiracies that aren't a secret on anyone who has the slightest foresight of our reality, and the coming days will uncover for us that ugly face... **so Obama you are not welcomed.**

◆ Any gathering of the leaders of Kufr and commanders of the Zio-crusader alliance will only be to plot and intrigue against Islam and Muslims to ensure the continuity of the subordination to the West and on top of it crusader America and working to obliterate the Aqeeda of the Muslims and their religion so that only remains of it it's name with no Sharia ruled or Aqeeda embraced... but how could they do so and the promise of Allah is standing to support this religion and give empowerment to the believers even if all the people of the earth unite against them.

(And Allah is the master of His affair, but most people do not know)

Wa Akhiru Dawana Anil Hamdulliahi Rabbil Alameen.
